Research  
Experience

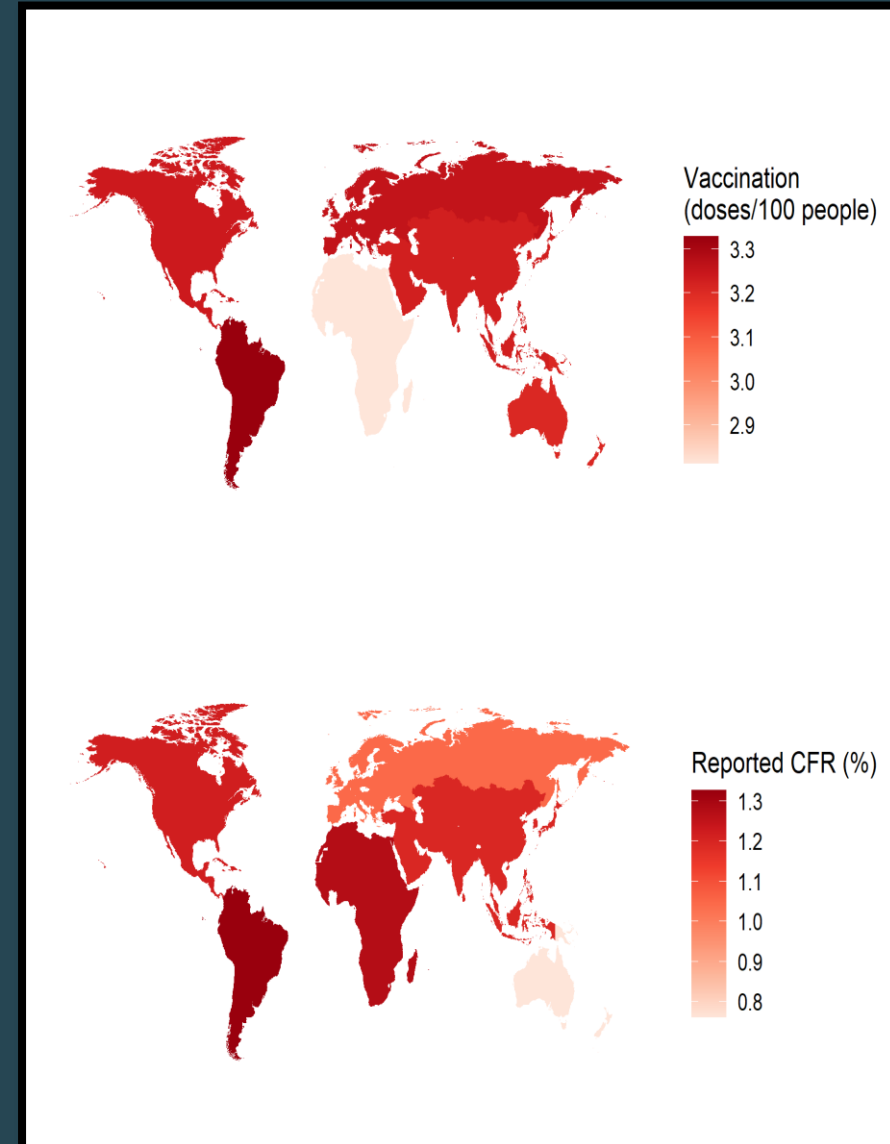

Job Experience

Others

# Personal Details

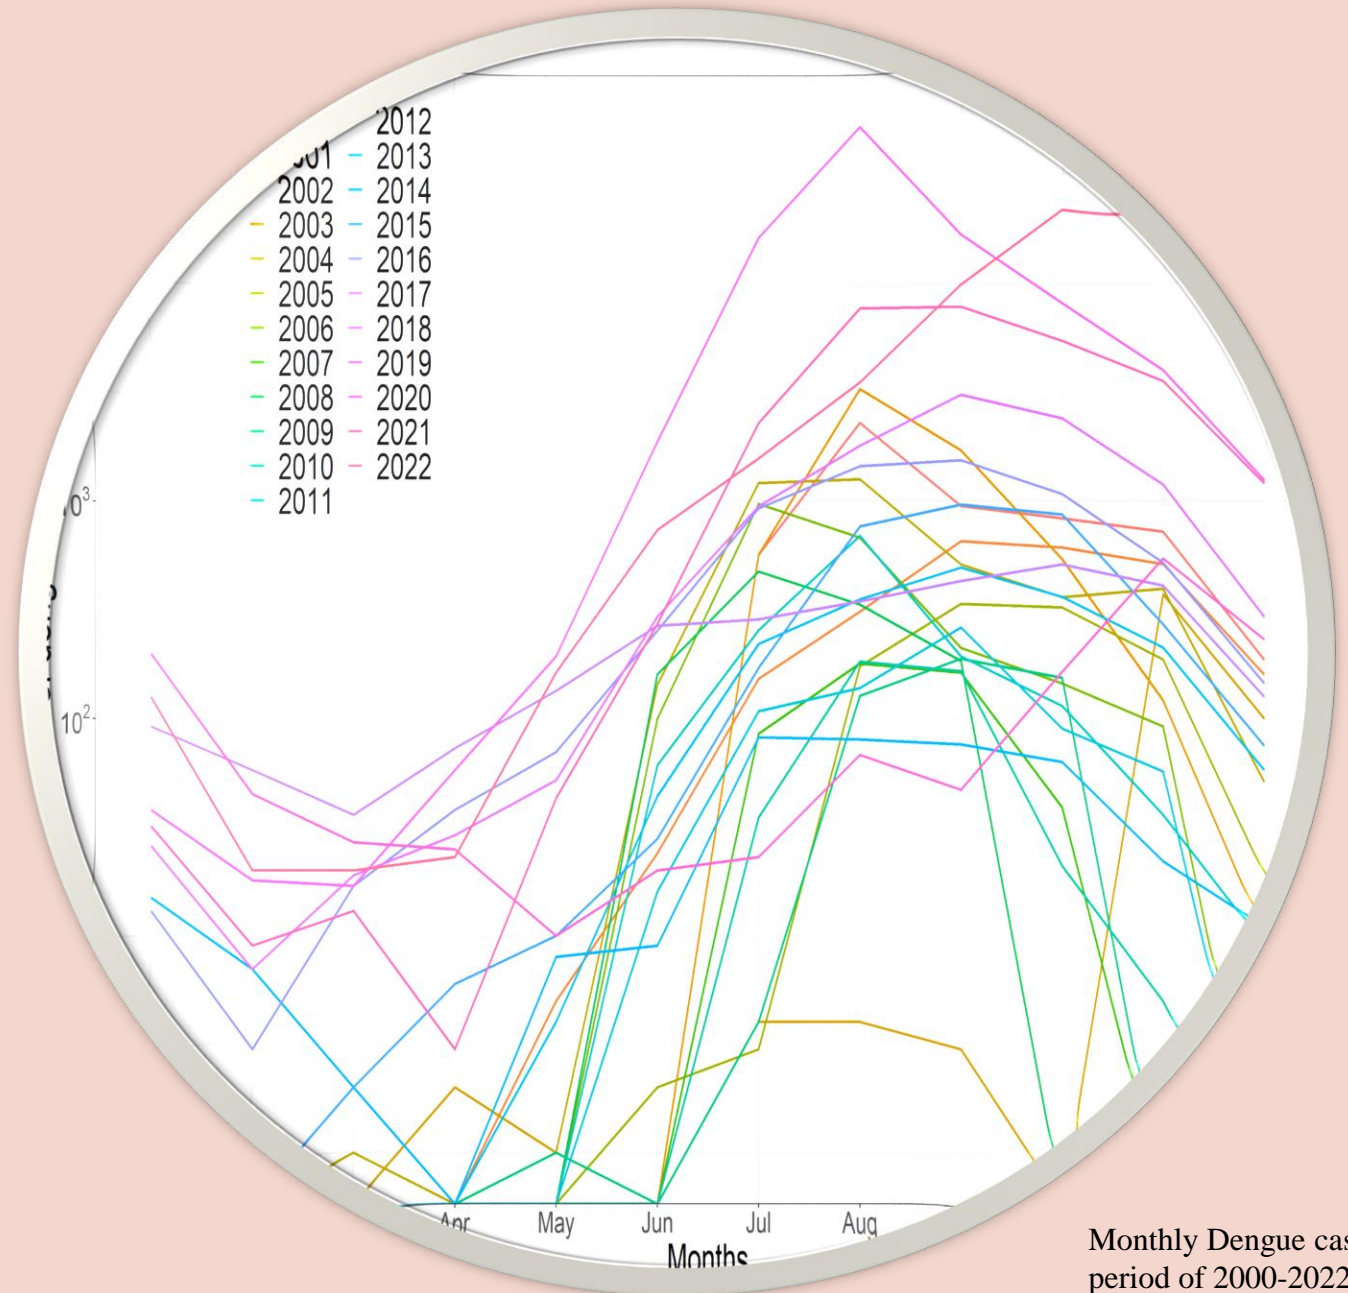

- Born in Comilla, raised in Chittagong
- Studied Statistics (Major) and CSE (2nd Major) at SUST
- Started as a research assistant at the SUST research center
- Currently working as M&E Officer in a research-based organization
- Published over 30 publications with nearly 300 citations
- Passionate about research, data analysis, and mentoring juniors

Map indicating country's vaccination rate and CFR in six continents

# Goal

Unlock the secrets of the universe and shape the future as a dedicated scientist, driven by curiosity, exploration, and the pursuit of knowledge.

Monthly Dengue cases for the period of 2000-2022

# Academic Qualifications

Degree	Subject/Group	Institution
MS ( <i>with thesis</i> )	Statistics	SUST
BSc (1 <sup>st</sup> Major)	Statistics	SUST
2 <sup>nd</sup> Major in CSE	CSE	SUST

# Projects

1. “Effectiveness of Some Selected Promotional Social Safety Nets Programs in Bangladesh: Formulation for Future Strategies”, Financed by The Social Science Research Council, Planning Division, Ministry of Planning, Government of Bangladesh.
2. “Reducing the Errors in the Measurement of Food Security in Bangladesh through Development and Implementation of an Innovative Method”, Sponsored by The Ministry of Education, Government of Bangladesh under Grant of Advanced Research in Education (GARE) Program.
3. “Ground Water in the Vicinity of Sylhet City, Bangladesh: Assessment of Quality and Association Based on Multivariate Statistical Techniques”, Sponsored by University Research Centre (URC), SUST, Sylhet, Bangladesh.
4. “Quantitative Measure of Healthy Aging in Sylhet City: A Frailty Index Approach”, Sponsored by University Research Centre (URC), SUST, Sylhet, Bangladesh.
5. “Extent of Lifestyle and Heritability Effects on Cancer: Bangladesh Perspective”, Sponsored by University Research Centre (URC), SUST, Sylhet, Bangladesh.
6. “Evaluating capacity for climate change adaptation in food productivity through local knowledge in the northeastern region of Bangladesh, Sponsored by University Research Centre (URC), SUST, Sylhet, Bangladesh.

# Publications(2023)

1. Early childhood developmental status and its associated factors in Bangladesh: a comparison of two consecutive nationally representative surveys
2. Insight into vaccination and meteorological factors on daily COVID-19 cases and mortality in Bangladesh
3. Correlation of Dengue and Meteorological Factors in Bangladesh: A Public Health Concern
4. The disproportionate case–fatality ratio of COVID-19 between countries with the highest vaccination rates and the rest of the world
5. A 30-day follow-up study on the prevalence of SARS-COV-2 genetic markers in wastewater from the residence of COVID-19 patient and comparison with clinical positivity
6. An opinion on Wastewater-Based Epidemiological Monitoring (WBEM) with Clinical Diagnostic Test (CDT) for detecting high-prevalence areas of community COVID-19 Infections
7. A short communication of 2022 dengue outbreak in Bangladesh: a continuous public health threat
8. Variant-specific deleterious mutations in the SARS-CoV-2 genome reveal immune responses and potentials for prophylactic vaccine development
9. Prevalence and Risk Factors Associated with Chronic Diseases Among Young Adult in Bangladesh

# Technical Skills

- Analyzing research data
- Statistical Programming language and analytical skills (**R, SPSS, SAS, and STATA**)
- Developing methodology & sample size estimation **Statistics, Biostatistics, forecasting & modeling**
- Skilled in **MS Office, Pivot Table, Google Sheets, Kobo Toolbox & Power BI**
- **Data Mining and Predictive Modeling, Analysis of variance, Regression Analysis, Generalized Linear Models**
- Multivariate techniques: **Principal Component Analysis, Cluster analysis**
- Sampling Theory & General Categorical Data Analysis
- Survival Analysis parametric and Nonparametric Analysis
- Robust modeling and missing data imputation

# Mentor & Trainer

- Successfully trained participants in a two-days long workshop on "Workshop on Data Analysis Using SPSS" organized by OGIVE Analytics dated on 2nd & 7th NOV' 2021 2020
- Successfully trained intern in a two-days long workshop on "Statistics and Data Analysis for Research" which is under the "Autumn 2020 Research Internship Program" organized by Chittagong University Research and Higher Study Society (CURHS) dated on 30-31 OCT' 2020 2019
- Successfully trained participants in a two-days long Workshop on “Workshop on Data Analysis Using SPSS” organized by Shahjalal University of Science & Technology Science Arena (SSA) dated on 18-19 OCT' 2019

# Job Experience

2023

M&E Officer at  
Greenhill-CPI

2021

MIS Officer at  
Partners in Health  
and Development

2019-2020

SCI, FIVDB, and  
INMAS as **Research  
Assistant, Project  
Supervisor, and Data  
Analyst**

2022

HIS Officer at  
Food for the Hungry

2018

Research Assistant at  
SUST
